Classic CB Radio

The 25 LTD Classic is rugged professional full featured CB radio with professional-driver requested improvements.

The 25 LTD Classic is rugged professional full featured CB radio with professional-driver requested improvements. The 25 LTD Classic has taken the professional’s advice and made some useful improvements. Perhaps the best of these improvements is the front panel microphone connector which makes in-dash installation a cinch. Cobra has also provided a nine foot microphone cord so that you keep in touch about anywhere in the cab. The final noteworthy improvement are tactile controls for safer, and more accurate, functionality. Other features include: instant Channel 9, PA capability, dimmer control, switchable noise blanker and RF gain. Cobra notes that this system is back by popular demand.
