Classic Professional CB Radio with NightWatch® Electroluminescent Display

The 29 NW adds Nightwatch illumination to the 29 LTD Classic, enhancing safety and convenience for professional drivers by backlighting the radio's function settings for easy viewing at night while minimizing eye fatigue.

The 29 NW adds Nightwatch illumination to the 29 LTD Classic, enhancing safety and convenience for professional drivers by backlighting the radio's function settings for easy viewing at night while minimizing eye fatigue.

The 29 NW Classic adds Nightwatch Electroluminescent Illumination to the whole front panel of the radio for easy viewing of the controls at night. The variable dimmer control allows the custom adjustment of the front panel to a desired level to eliminate eye fatigue.
