# Marine VHF Radios

## MR HH450 DUAL

This compact floating unit has the same great VHF radio ruggedness, quality and reliability Cobra is known for. In addition, it has Cobra's exclusive Rewind-Say-Again® feature & GMRS channel Dual-Band functionality. It's also a high power combination VHF/GMRS radio. GMRS (General Mobile Radio Service) is the modern standard in consumer grade two-way communications.

It also includes all of the core features Cobra VHF radios are known for like; Noise canceling microphone, NOAA weather radio, Weather Alert, JIS7/IPX7 rated submersible and BURP. Other features include a long lasting Lithium Ion Polymer battery, S.A.M.E. Weather Alert filtering and a rapid charger.

### FEATURES:

- Replay missed VHF calls with Rewind-Say-Again®. Automatically records the last 20 seconds of incoming audio.
- Never lose your radio. Floating design and orange core makes retrieving radio easy if dropped overboard.
- Noise-Canceling Microphone blocks background noise for clearer conversations.
- Select between 1, 3 and 6 Watts for short and long range communication.
- U.S.A., Canada & International Channels allows operation on any of the three different channel maps established for these areas. Includes the latest 4 digit channels.
- All NOAA Weather Channels allows instant access to national All Hazards and weather information, 24 hours a day.
- S.A.M.E. Weather Alerts with an audible tone and visual alarm if threatening weather is nearby.
- BURP vibrates water out of the speaker grill and improves speaker performance.
- Rated Submersible. Meets JIS7 (IPX7) standards; submerible for 30 minutes in one meter deep water.
- External Speaker/ Microphone Jack connects Cobra speaker mic accessories for hip or body worn operation.
- Instant Channel 16 allows access to channel 16 for emergency situations.
- Unlimited Memory Channels allows programming of unlimited channels for easy retrieval or scanning.
- Tri-Watch monitors three (3) channels at once - channel 16 and two (2) user selected channels.
- Scan all channels to find conversations in progress.
- Advanced Memory Scan. Scan channels programmed in memory to find conversations in progress.
- Button/Key Lock. Locks function buttons/keys to eliminate accidental change of settings.
- Battery With Charge Contacts allows charging of batteries in unit.
- Illuminated Function Keys allows high visibility of function keys.
- Large, Illuminated LCD Display allows high visibility of display.
- 3 Year Warranty (on radio) for products sold in the U.S.A.
