FAST. FORWARD.

THE XL FAMILY OF MOBILE RADIOS

Go with Confidence. Go with Connectivity.

YOUR VEHICLE JUST GOT MORE POWERFUL

Your job takes you into challenging locations, sometimes far from your team. With different terrains and demands you face, you'll know the XL FAMILY of Mobile Radios will help keep you connected to the people and information you need to do your job well.

CONNECT IN MORE PLACES

The single-band XL-185M and multiband XL-200M deliver robust voice and data over nationwide LTE that is AT&T® and Verizon certified and FirstNet Ready™. Built-in LTE connectivity transforms these rugged P25 mobiles into an on-the-go communications hub, providing hot spot capabilities to help keep you connected through an LMR or LTE network where you're needed.

XL FAMILY FAMILIARITY

The XL FAMILY of Mobile Radios continues our heritage of equipping First Responders to do their work remarkably well. Engineered to have the same powerful features as the XL portable radios including exceptional audio, an intuitive interface, GPS and built-in encryption, the XL mobiles will help you maximize efficiency and performance even in challenging environments.
